

**MODERN
NIAGARA**

Design. Build. Service.

Red Rock Properties

PROJECT DETAILS

LOCATION:
ATLANTIC CANADA
MARKET SECTOR:
COMMERCIAL OFFICE,
WAREHOUSE
DELIVERY METHOD:
DESIGN/BUILD

Life Safety Systems designed and installed the complete fire protection system for this office and warehouse space.

We selected user-friendly ESFR sprinkler heads for centre warehouse area, eliminating the need for complicated in-rack sprinklers.

The design-build approach made it possible to complete the project on time and budget.
