MARKET SECTOR:
CONDOMINIUM, EDUCATION

DELIVERY METHOD:
COST PLUS FEE

At the University of Alberta in Edmonton, Peter Lougheed Hall will provide 7,925 square metres of new residence space in the East Campus Village.

Modern Niagara is mechanical prime on the project, responsible for all mechanical services for the new facility. Our work includes all plumbing, piping, HVAC, fire protection, and building controls.

The project is scheduled for substantial completion in March 2017.
