

Roughriders' Mosaic Stadium

Location: Saskatchewan

Market Sector: Sports and Entertainment

Delivery Method: P3

In time for the 2017 CFL season, the Saskatchewan Roughriders will have a new home in the form of an open-air stadium. Mosaic Stadium will replace the stadium at Taylor Field, offering a capacity of 33,000 seats (expandable to 40,000 with temporary seating), 38 executive suites, and two levels of luxury seating.

Modern Niagara provided all mechanical systems for the project, including heating, cooling, plumbing, ductwork, building controls, sprinkler system, insulation, and balancing.
