

Mackenzie Health – Mackenzie Vaughan Hospital

Location: Ontario – Greater Toronto

Market Sector: Healthcare

Delivery Method: Design-Assist

Modern Niagara is the mechanical contractor on the new Mackenzie Vaughan Hospital in Vaughan, Ontario.

The new 1.3 million sq.ft. facility is the first hospital to be built in the city of Vaughan, and the first new hospital to be built in the York Region in the last 30 years.

It is slated for completion in 2020.
